PROGRAMS

HOME TO SOME OF THE WORLD'S FINEST TROUT WATERS

YOU DON'T WANT TO MISS WHAT IS STACKING UP TO BE A GREAT TIME!

Bruce Richards, Fly Rod and Reel magazine's Man of the Year will be on tap to dispell any myths that have cropped up since A River Runs Through It came out. Bruce knows a thing or two about casting and the technical aspects of fly fishing. There will even be a casting demonstration with both Bruce and Mark Sedotti showing their prowess which is free to conclave attendees. Want to see someone shoot 100' of line with a 8" streamer? Come to Conclave! It'll be fun!!!

Speaking of fun, the Jerry Clark casting games will give you a chance to try your own hand at casting with some interesting challenges for all ages and skill levels. There will be 3 free programs each day during lunch which we have affectionately dubbed the "Brown Bag" sreies of programs. An upscale brown bag lunch will be availabe for purchase so that you can grab a quick lunch and enjoy the free programs like "Flyfishing Mongolia" or "Backyard Flats Training" at your leisure.

Once you get there you won't want to leave!! Numerous raffles will occur throughout the day for some awesome prizes. There is an entire exhibition hall full of vendors who have the latest and greatest flyfishing stuff and we all know how we feel about flyfishing stuff, right?

Some of the best fly tiers to be found have come from far and wide to demonstrate and share their skills. In addition, there are fly tying and casting classes available for all skill levels. You can even sign up for a free individual coach! Maybe you need a class to hone your nymphing skills. We have it! Or maybe your presentaion is lacking. We have it! We also have numerous classes that will allow you to take a skill back to your home waters and utilize them to improve your club and your fisheries! Come and see us, it'll be fun!!!
